About Time Finance:

Time Finance's purpose is to help UK businesses thrive and survive through the provision of flexible funding facilities. It offers a multi-product range for SMEs concentrating on asset, loan and invoice finance. While focussed on being an 'own-book' lender, the Group does retain the ability to broke-on deals where appropriate, enabling it to optimize business levels through market and economic cycles.

More information is available on the Company website: www.timefinance.com.
